ADVERTISEMENTS

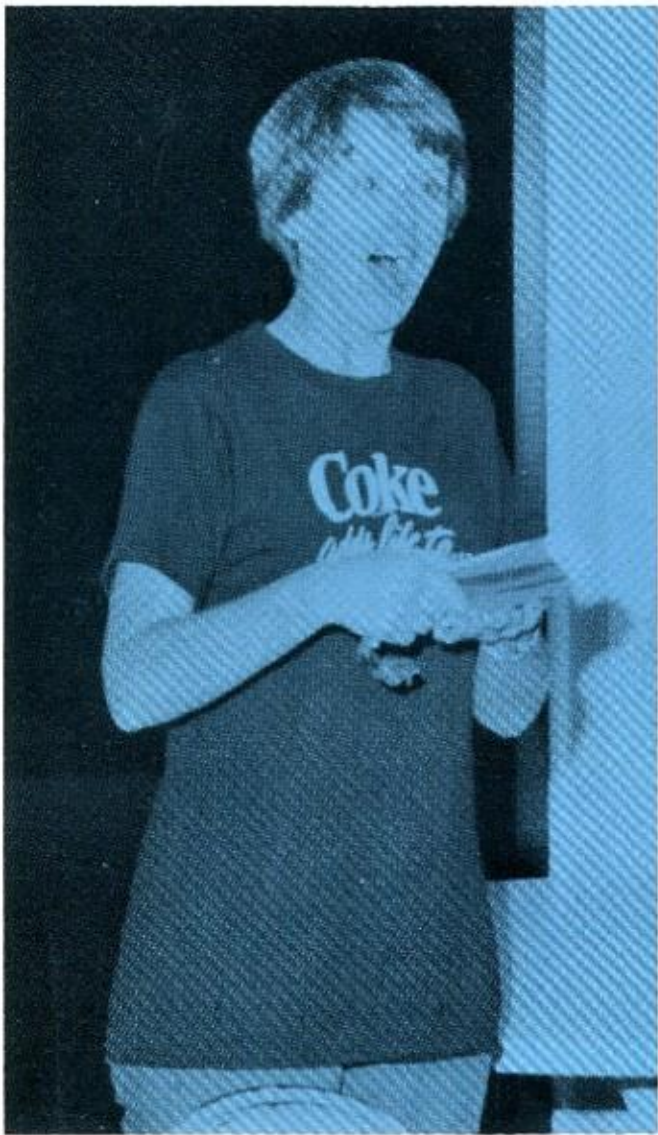

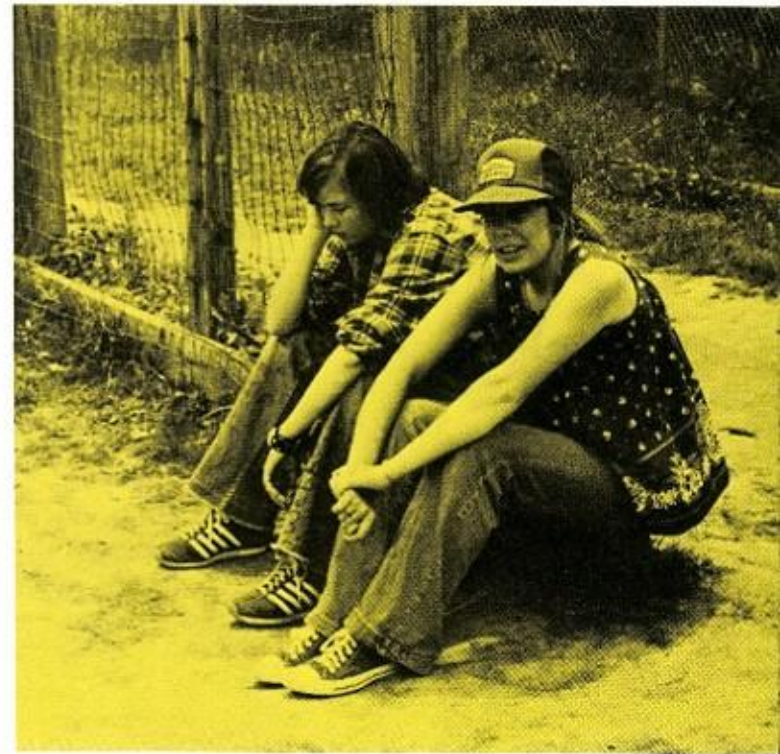

Good Morning yesterday  
You wake up and time has slipped away  
And suddenly it's hard to find  
the memories you left behind, Remember,

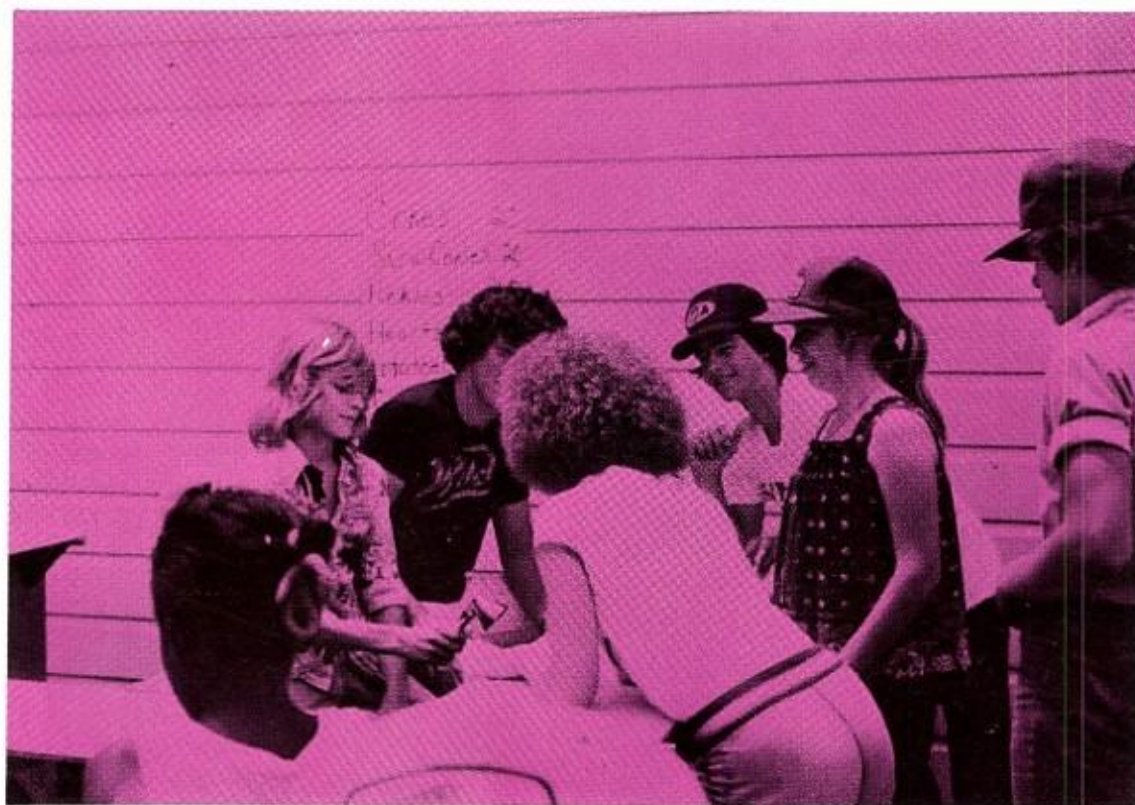

Do you remember the  
laughter and the tears,  
the shadows of  
misty yesteryears . . .

The good times and the bad you've seen  
and all the others in between,  
Remember,  
Do you remember the times of your life?

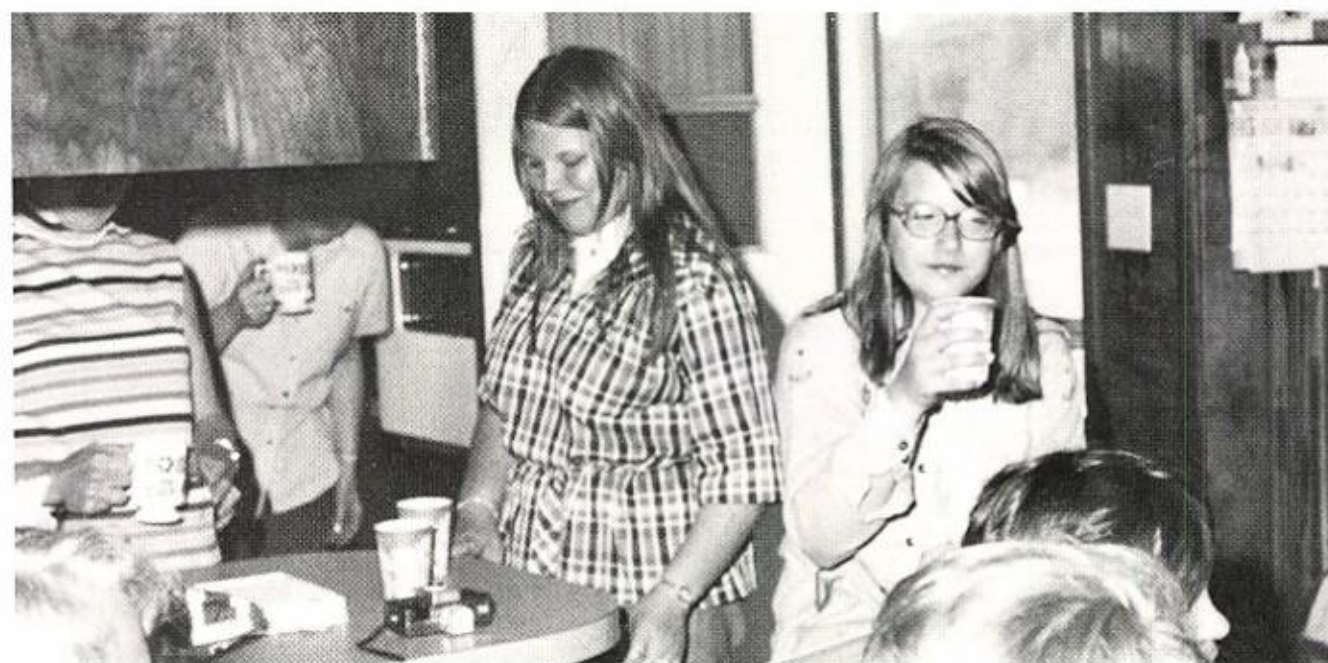

Reach back for the joy and sorrow put them  
away in your mind,

For memories are times  
that you borrow  
To spend when you get  
to tomorrow.

*SENIORS*

1978

Here comes the setting sun  
the seasons are passing one by one . . .

So gather moments  
while you may,  
Collect the dreams  
you dream today,  
Remember . . .  
Will you remember  
the times of your life?

## Western Electric

Can you envision what your life would be like without a telephone? How would you make arrangements for the big game? How would you contact your friends for help with your homework? How would the young men make their dates? How would the young women break them?

The telephone has become a necessary part of the American way of life. And, at Western Electric's Shreveport Works, we make more telephones than any other facility in the world.

Western Electric is proud to be a part of the Ark-La-Tex and we are proud of today's students who will be tomorrow's leaders. Only through a quality education can you be prepared to assume this position.

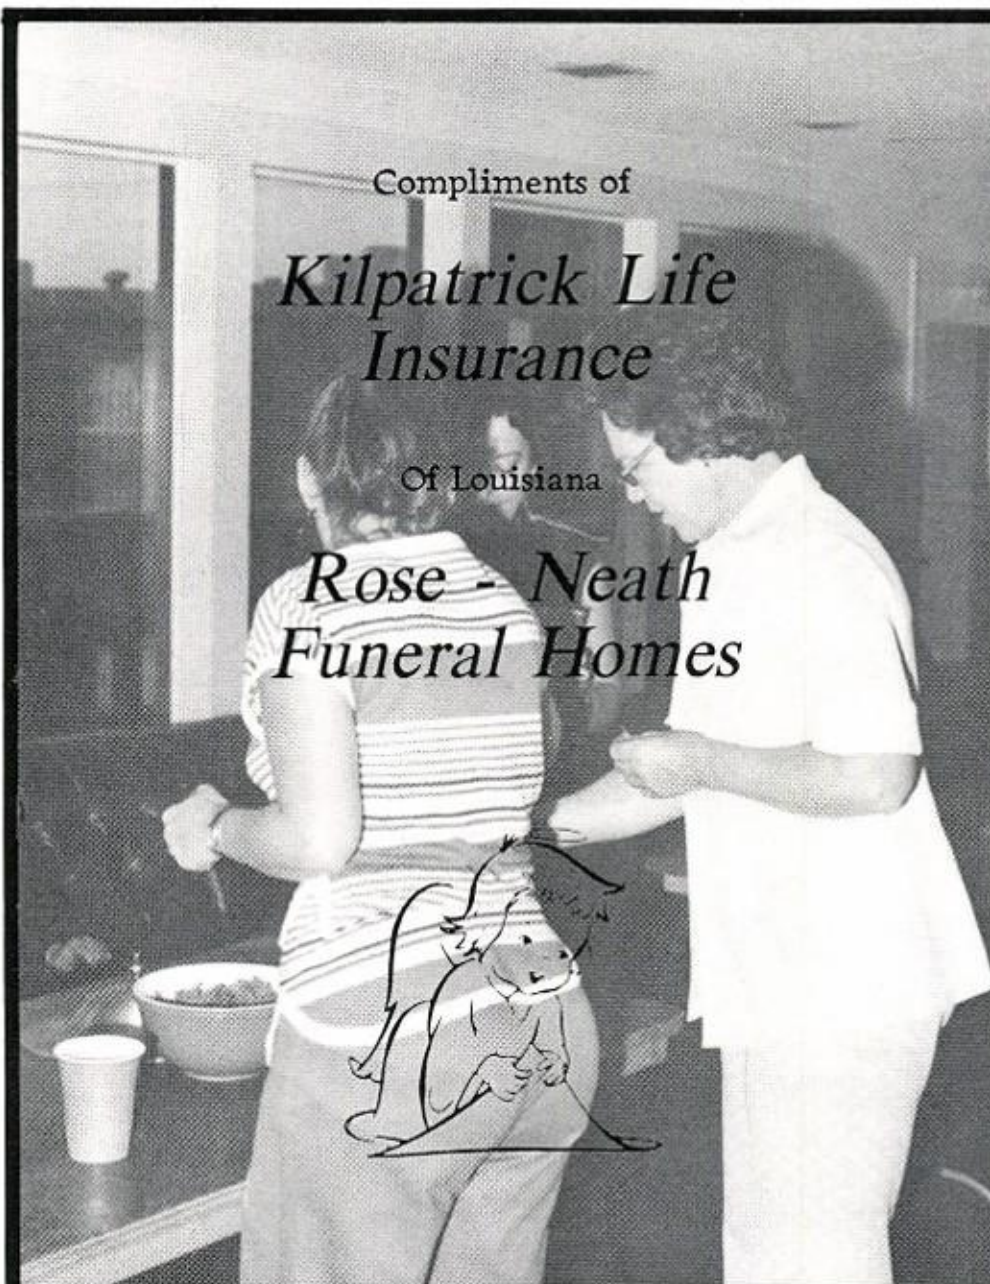

As John Denver puts it in "The Eagle and The Hawk": "Reach for the Heavens; hope for the future and all that you can be, not just what you are."

Our employees -- some of whom attended Stonewall High School -- have made Shreveport the "Telephone Capital of the World." Perhaps you will help us continue this tradition when you complete your formal education.
